Campaign giving column shows giving to the Call to Lead Campaign by Dartmouth College alumni through end of FY18. It does not include adopted alums. It does not include anonymous giving because including these gifts in totals by class year would compromise anonymity for some class years. Report counts campaign participation and contributions by living alumni at the start of campaign (7/1/2014), or who graduated and became alums after that date. Report shows directing dollars, not recognition credit. It does not include Bequest Expectancies. For alum/alum couples the giving will be split by class year.
