

YOU MAKE THE DIFFERENCE

Your Dartmouth College Fund gift has an impact on current students every day. Alumni gifts provide financial aid to nearly half of Dartmouth undergraduates each year, including more than 500 who are the first in their families to attend college.

Dartmouth is now one of only seven U.S. colleges or universities to offer need-blind admissions to all undergraduate applicants while meeting 100 percent of demonstrated need, regardless of citizenship—and we've eliminated the requirement for student loans from all financial aid awards.

Your contribution to financial aid is an investment in students. Help change a life, make your Dartmouth College Fund gift today.
